\$15,000 to \$19,999	\$800	+	\$500	=	<b>\$1,300</b>

\*Alternatively, you can choose to receive your cash award as a US Games certificate.

Plus, we're awarding grants to further support the health and well-being of your school community.

"This program not only raised awareness about heart health but has also fostered a spirit of teamwork, kindness, and perseverance among our students.

Students have learned the importance of staying active, making healthy choices, and helping others in need. Their enthusiasm for supporting the American Heart Association has been truly inspiring, and the sense of community it has built within our school is invaluable."
